VICTORY LOAN OVER THE TOP

Town And Township Residents Beat Their Quota By \$55,000 To Ring Up A Grand Total Of \$505,350 — Norm Harris High Salesman — 1306 Applications Received — \$2,442,600 Raised In Seven Campaigns.

Another Victory Loan campaign is over and residents of Grimsby and North Grimsby have done nobly. As in all previous campaigns they reached their objective and then some. This time they went over their allotted quota by \$55,000, rolling up a grand total of \$505,350.

At no time through this present have the salesmen been behind their quota and right from the start they felt confident that they would go well over the top and they did.

Chairman "Dad" Farrell and his committee put in a lot of hours and work assisting the salesmen and they have been grandly rewarded for their efforts.

"Superman" Norm Harris topped the salesmen with \$91,500. Don Beamer handling the mountain district done a grand job reaching a total of \$27,300, which is the largest amount ever sold over the hill. Biggest day's sales of the campaign was the last one with \$50,500. Fred Jewson sold the most applications with 230.

Group payroll figures show that the boys and girls working in the factories purchased \$30,700. There were 283 purchasers.

The record of the two municipalities has been a very high and enviable one in all campaigns. As the figures show in the seven drives to date local citizens have subscribed for \$2,442,700. That is a lot of money in any country.

Soldiers' Graves Are Decorated

Colorful Parade Of Veterans With Two Bands One Of The Best Held In Years.

One of the largest decoration parades held in years was on Sunday afternoon in Queen's Lawn cemetery. There was a very large turnout of Veterans of both wars; men and women in service in the present war; High School Cadets and citizens generally.

The parade headed by the Beamsville Citizens' band followed by the Legion color party, the Legion, High School Cadets Bugle band and the Cadets marched to the cemetery gates where wreaths were placed upon the memorial gates. Enjoys Reading The Independent

Reeve Chas. W. Durham of North Grimsby is in receipt of the following letter from overseas: R.C.A.F., England, October 27th, 1944.

Dear Sir: I would like to take this opportunity to thank you most heartily for sending me copies of the Grimsby Independent, which to my mind, is an excellent paper. By reading it I can easily "keep up" with the hometown news. There is always something of special interest in each issue. Usually they arrive in pairs, a little late perhaps but then, one can't expect the impossible.

The war news is good now but there is still plenty of stiff fighting to be done. But, God willing, we will soon have Jerry exactly where we want him.

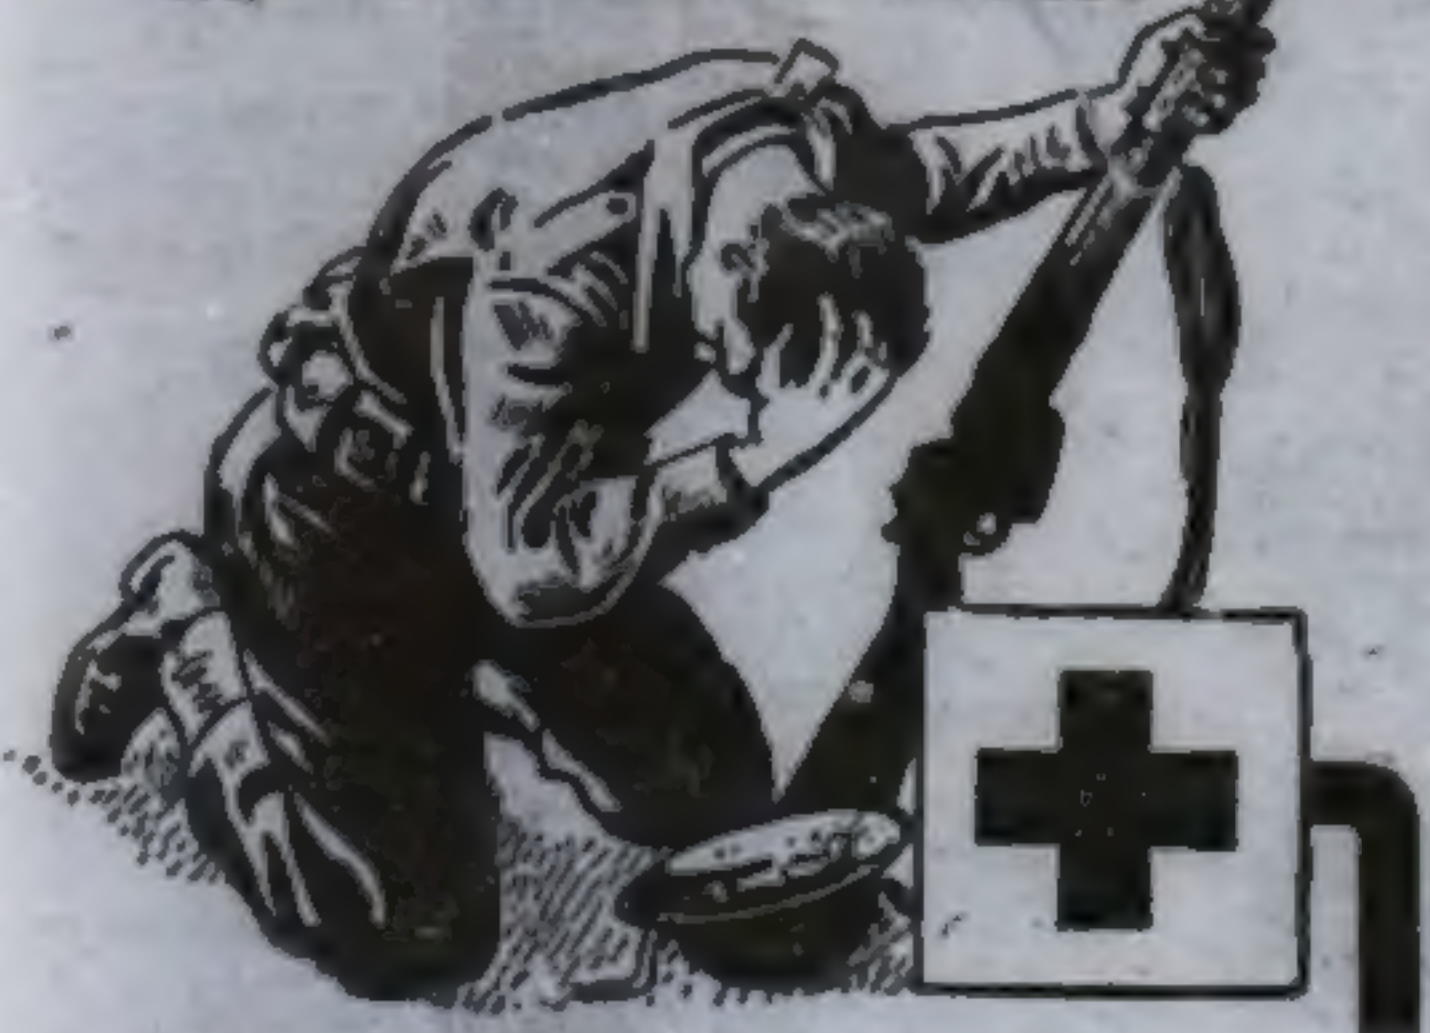

Thanking you again, I remain, Sincerely, Bill McNiven.

Opens Seal Sale

Mayor Edric B. Johnson this week opened the Christmas Seal Sales in Grimsby by purchasing the first Seals. These Seals are sold to raise funds for the Niagara Sanatorium to combat tuberculosis. The battle against the dread disease is gradually being won, as the yearly records show. Every seal that you buy will bring a helping hand and healing hand to some poor sufferer of this dread malady.

PLASMA IS URGENTLY NEEDED

YOUR BLOOD CAN SAVE HIM

Unless Many New Donors Register At Once The Supply Of Plasma Will Not Be Sufficient To Protect Our Soldiers' Lives — 5,000 Donors A Day Now Required In Canada — Grimsby Blood Clinic Next Wednesday — Do Your Share.

50,000 New Blood Donors are required immediately. Because of increased activity in the European War Theatre, heavier casualties are inevitable. Blood Plasma has saved the lives of hundreds of Canadian soldiers.

The supply of Plasma will not be sufficient unless many new donors are registered at once. Canada requires 5,000 donors per day in order to protect the lives of her soldiers, sailors and air-men who will be wounded in military operations.

The Grimsby Blood Donors' Clinic has an excellent record. Many Donors who attended the first Grimsby session in Hamilton in November 1941, have maintained an unbroken list of regular visits. Others have enlisted, have moved from Grimsby or for some other reason are no longer attending the local clinic.

The ranks of Blood Donors must be increased. If you are not registered now, you should do so without delay.

The next Grimsby Clinic will be on Wednesday, November 22nd. The facilities at Trinity Hall are excellent. Red Cross officials are loud in their praise of the arrangements. Local Doctors and Nurses are willingly and voluntarily assisting at each clinic.

The need is urgent. Register today at the Model Dairy and plan to attend the next local clinic.

WATER! WATER! EVERYWHERE

North Grimsby Council Has A Regular Deluge Of Talk About H-2-O — Mitchell Demands That King Send The Zombies Overseas — Will Turn On All Street Lights — Tax Arrears Getting Smaller.

If actual water had been flowing instead of just talk about water, at North Grimsby council meeting on Saturday afternoon, then the whole town of Grimsby would have been washed out into Lake Ontario before five o'clock.

Between trouble on the east end waterworks system and water that is flowing, and not flowing, down drains and ditches, the rural legislators had a wet afternoon of it. Had all that talk about water been whisky, George Drew's drought would be over.

The big meter that checks the water from the town main into the east end township main, is either on the blink or the meter readers are wrong. This question has not been definitely settled. Suffice to say that in September and October the reading of the meter jumped from the approximate 600,000 gallons a month that the reading has shown, to over three million gallons a month. An expert from Toronto says that the meter is 100 per cent perfect, but a few minutes later read the dial wrong himself. (Continued on page 7)

How You Can Get Christmas Toys

WPTB State That There Will Be A Great Dearth Of Play Things For The Kiddies.

War-time Prices and Trade Board informs The Independent that there will still be a great dearth of new toys for Christmas. Acute labor shortage is one reason. Shortage of metal and other supplies is another reason. There will be a smattering supply of metal toys this Yuletide; an increased amount of wooden and plastic toys, but the shortage will still be very great to meet the ever increasing demand of the children.

The Independent knows a way that a portion of this shortage can be relieved in this district. In our Classified Advertisement columns from now until Christmas we will run a special section under the heading "Christmas Toys". If you have toys in fairly good shape, or that could be repaired and painted (Continued on page 7)

Wounded

Mrs. Margaret S. Jarvis, 20 Mountain street, has received a letter from her brother L/Cpl. George J. Melkie, now confined to hospital in England after being severely wounded in Belgium. He states that his one leg is fractured and in a cast. His other leg has been taken off eight inches below the knee. He enlisted in August, 1943 and went overseas with the Lake Superior Regt. in June of this year and went to France in July, just 11 months after enlistment.

Killed In Action

Almost one year ago—Christmas 1943—Sgt. Bruce James Cullen, 30, was killed in action in Italy. This information has just come to The Independent this week. Sgt. Cullen was a son of Mrs. Corn M. Smith of Grimsby, by a former marriage. He enlisted in September 1941 and trained at Camp Gordon and in the United States for two years, as a paratrooper, and went overseas in September 1943. He was a member of the 48th Highlanders in Italy.

The following interesting letter has been received by George and Mrs. Gledhill from their son L.A.C. Wm. Gledhill, R.C.A.F., somewhere in Belgium and Holland:

Dear Mother: It's almost a month since I last wrote and that's not so good is it? Well a lot has happened since then I've got a bandaged up finger on my left hand and it's a little awkward to write yet. It's not so bad now the bandages are getting smaller. I cut it open a couple of weeks ago. Otherwise I'm fine and everything's OK.

About three weeks ago I got myself a motorcycle (a humber) and its been keeping me pretty well occupied most of the time. I've been all over the country on it. Oh incidentally, we are somewhere in Holland right now, and its not near as nice as Belgium. Its really fun riding a motorcycle through all these new and strange places. Nobody can speak our language so we just wave our hands around and do the best we can. There's lots of windmills and they all wear wooden clodhoppers. I haven't seen any dykes yet, but content.

Nice Sum Raised For Poppy Fund

Mayor Edric B. Johnson, Treasurer of the Poppy Fund reports that the sale of poppies on Saturday was a most excellent one and he wishes to express sincere thanks to the public for their generosity. Total sales amounted to \$216.98, for the town and the township, an average of 15 1/2 cents a poppy sold which is below the usual average of 25 cents a poppy. Sales total from South Grimsby, Calton, Gainsboro, Seamsville and Clifton are not yet to hand.

To be added to the above amount is a grant of \$25.00 from North Grimsby council for poppies supplied to all the pupils of the township schools.

FACTS & FANCIES

Frank Fairborn, Jr.

COLONEL JOHNSON LEAVING GRIMSBY

North Grimsby township and Grimsby town are losing an exemplary citizen and a very worthy family. Colonel Walter W. Johnson, D.S.O., M.C., and a couple of other decorations that we have lost track of, is leaving the district to take up residency in Northern Ontario.

What is Grimsby's loss, is certainly going to be a great gain for the North country.

Walter Johnson grew up among the fruit vines and the Peach trees of the district, at Grimsby Beach. In the spring of 1915 a gangling legged kid, of whom very few people in the district knew much of, he was so quiet and self-effacing, walked into a recruiting office and announced that he wanted to enlist. He was taken on strength of the 58th Batt. and went overseas with that unit as a "book" in the rear rank. Training in England and later in France he showed a marked adaptability for military work and it was not long until he was wearing stripes, then was commissioned and when finally through serious wounds was forced to leave the field was a Captain and came home with that rank.

His wounds consisted of terrible facial and head injuries, including the loss of one eye. In the 58th Batt. were several other Grimsby men who had been transferred to it from the 96th. They can tell you more about the military ability of Col. Johnson, than I can.

Upon his return from overseas he married his school girl sweetheart, Ethelyn Wake of Grimsby Beach and they settled on a little farm on the Ridge Road west, where they set up an apiary. The Colonel continued in military affairs, with the old 96th becoming a Major and then a Lt.-Col. in command of the regiment. In civil life he became a leader among the people of the township as well as the town and for some years was Assessor and Tax Collector of the rural municipality as well as a builder-upper of general conditions.

He was a very ardent member of West Lincoln branch 127, Canadian Legion and served as President for several terms.

He had a tough time in securing an appointment to the army at the outbreak of the present conflict, despite his great military record and knowledge and the fact that only 18 months previous to Hitler setting the world on fire, had successfully passed a General Staff Course in England.

In 1939 he took on the mantle of Organizer for the Conservative party in Lincoln. In March of 1940 he was appointed as Chief Recruiting Officer for M.D. No. 2. He took the position and held it until the fall of 1940 when he was made Commandant of the Northern Area in M.D. 2, which territory extended from Newmarket to the Arctic Circle and had a great number of training and prisoner of war camps located within its boundaries.

Col. Johnson and his good wife have been worthy citizens of our district. His children, two of which are in the service, have been fine examples for other children.

Grimsby town and township are losing a fine family, but we believe that the management of the T. & N.O. have made an excellent selection in their choice of Col. Johnson for the important position that he is to fill.

Commenting editorially upon Col. Johnson's appointment The North Bay Nugget of Nov. 3rd, said:

Announcement that Col. W. W. Johnson, D.S.O., M.C., is to become an official of the Temiskaming and Northern Ontario Railway and thereby continue to perform an important role in the affairs of this section of the province, will be well received by northerners.

Few men who have taken up residence in Northern Ontario during recent years have endeared themselves to the people to the extent as has Col. Johnson and a great deal of satisfaction will be felt over the fact that this distinguished soldier is to remain in our midst.

Col. Johnson, a military man who earned an enviable name for himself as a fighter and as a leader of fighters on the battlefields of the First Great War, came to North Bay and made this city his headquarters when he was appointed commanding officer of the northern area of Military District No. 2 at an early period in the present conflict. He has been in the North ever since and yesterday it was announced that Col. Johnson had been appointed to direct the T. & N.O. Railway's navigation interests on Lake Temagami and would also be in charge of the railway's tourist promotion program for the entire north country. The Colonel in order to accept this important position will be granted a discharge by the army. And in this connection it must be stated that the army's loss is decidedly Northern Ontario's gain.

As director of all military activity in Northern Ontario, Col. Johnson has spent considerable time in every part of this section of the province during recent years and he probably knows as much about the North, its people and its assets as any of our pioneer northerners. To him must go a great deal of credit for the fact that the north country boasts an exceedingly fine record in every phase of our war effort. In addition to his military activities, Col. Johnson is admired for his splendid qualities of character, his friendliness, his keen conception of the things that are really important in life and the inspiration which he gives to all those with whom he comes in contact.

The North will be happy to know that Col. Johnson is to remain one of its own.

THE PROBLEM

V.D. is one of Canada's most serious public health problems because:

The number of new cases of V.D. exceed most reportable diseases, including poliomyelitis, typhoid fever, diphtheria, cancer and tuberculosis.

More than 300,000 Canadians have syphilis, according to estimates of national authorities.

More than two-thirds of this number (200,000) are not aware of their infection, owing to the insidious nature of the disease which frequently shows no outward manifestations for many years.

Approximately 10% of insanity due to syphilis.

Approximately 15% of deaths from "heart disease" are caused by syphilis.

Much sterility in men and women due to serious effects of gonorrhoea.

Seventy-five per cent of all V.D. infections are acquired by the fifteen to thirty years age group, with the peak at pre-marriage age.

During first three and one-half years of World War II, more than 35,000 armed forces personnel in Canada contracted V.D. This reflects a civilian picture.

The danger extends to the family group. Frequently the bread-winner, mother and child are caught in web of infection. The tragic infection of babies, with syphilis, is still a serious problem in Canada.

Loss of physical or mental capacities for productive work in prime of life, by untreated victims of V.D., causes economic wastage, and imposes serious social and economic strain on families involved.

Its spread is frequently associated with active anti-social conditions. These include houses of prostitution—certain irresponsibly-operated "hot spots", hotels, rooming-houses, etc., which passively or willfully "facilitate" promiscuous sexual behaviour, with resultant spreading of V.D.

The immediate post-war period may produce near-epidemic proportions, unless vigorous, continuing action is taken by governmental authorities and an enlightened public. The danger of repetition of the world-wide epidemic following World War I is apparent if utmost effort is not put forth to stem the almost inevitable rising tide of V.D. as a result of highly-disrupted social and economic conditions in every country.

LOOK OUT, MEN!

In a large New York fashion salon last week, before a large and excited feminine audience, a noted millinery designer nonchalantly picked up a man's felt hat and, with the help of a pair of scissors and a triumphant smile, transformed that simple headgear into what was described as a "chic cloche."

Then, turning to her enchanted audience, the milliner uttered these fatal words: "The next time you go shopping with a man who is buying himself a hat be sure he picks out a color that is becoming to you."

First it was his coat and vest, and pants and shirt and socks. Then it was his job. Now it is his hat. It must have been a peaceful world before the female entered it!

'WAY BACK WHEN

Frank Fairborn, Jr.

NOTE:—For the Sesqui-Centennial of St. Andrew's Parish and Church in September, a most complete illustrated history was compiled by Mrs. James R. Powell and Miss Harriet Walsh. This history was printed in booklet form and copies of it can be obtained from the Rectory, Rev. A. E. Brooks at 30 cents the copy. This week the first instalment of the history is printed in this column and an instalment a week will be published for the next 10 or 12 weeks.—F. F. Jr.

THE LOYALISTS FORM A PARISH

THIS year, 1944, as we commemorate the 130th anniversary of the first church and parish of St. Andrew's, it is fitting that we pay tribute to those devoted men and women who founded it.

After the revolutionary war, they who loved the cause that had been lost and kept their faith to England's crown, passed into exile, leaving all behind except their honour. A small band of these Loyalists travelled forty miles beyond the Niagara frontier and, like the patriarchy of old, pitched their tents along the banks of a flowing stream.

They made clearings, built log-cabins in dwellings, an established a settlement that was known for many years as The Forty.

Most of the settlers were adherents to the Church of England and shortly after their arrival they formed themselves into a congregation and gathered for divine worship in the homes of the members.

It is recorded that Andrew Pettit, a Loyalist from New Jersey, conducted services at his home as early as the year 1787. Mrs. Edward Pilkington, a daughter of Col. Robert Nelles, in her reminiscences of The Forty states: "We had no clergyman but my uncle, Andrew Pettit, took the lead among the little society of Episcopalians and for many years they assembled at each others' houses on the Sabbath day and he read the church service, the lessons, and a sermon of some old divine. After some time the Methodists, those pioneers of the backwoods, sent missionaries amongst us, but my dear old uncle would not allow us to hear a dissenter."

It is stated in other records of the settlement that a log church was built in 1794 near the site of the present edifice. Perchance this building is the one that is referred to in the following document as a school. For in these early days one log-cabin building often served two purposes and was used as a school during the week and a church on Sunday.

Six years later in 1800, there is reference to the planning of a second church, a structure of frame. To all whom it may concern: Whereas Robert Nelles Esquire hath given a

proper and convenient lot of land in the township of Grimsby, near the Forty Mile Creek for the purpose of building and erecting a church for the use of the Episcopal congregation in the said township and its vicinity, and also to be free for all other Christian denominations, except it be in church hours when it is previously engaged by said Episcopal congregation; Be it known that at a meeting by appointment of said congregation a certain spot of ground was agreed upon in a commodious place at the end of Esquire Nelles' lane, near the schoolhouse to erect said church and on the following plan—that is to say: To be with frame 38 feet in front by 32 back and enclosed with pine boards and shingles. Now, we, the subscribers, do promise and engage to pay the several sums annexed to our names, respectively, for the erection of the said church, said sums to be paid to Robert Nelles, Esq., John Pettit Esq., and John Woolverton Esq., managers, regularly and legally appointed and empowered by the said congregation to manage and carry on said building and to receive said subscriptions for said object and purpose.

Given under our hands this 25th day of December in the year of our Lord, 1800.

The subscription list includes the following names:—John Moore, Benjamin Wilcox, David Palmer Sr., Jonathan Wolverson, Andrew Pettit, John Pettit, Allen Nixon, Jonathan Moore, William Knowles, Samuel Green, Robert Nelles, Abraham Nelles, Jonathan Bell, Israel Morse, Isaac Durham, Henry Nixon.

Evidently the plans for the building of the frame church were not carried out at once, as another subscription list bearing the names of the donors and amounts given by each, was dated April 11th, 1803 and is a much longer list comprising thirty-seven names and the sums contributed amounted to one hundred and eighty pounds.

It contains the following names:—Robert Nelles, Jonathan Wolverson, Allen Nixon, Andrew Muir, John Pettit, Andrew Pettit, Pierce Moore, John Moore, John Smith, William Kitchen, Jonathan Muir (Moore?), Gershom Carpenter, Alexander Carpenter, Levi Lewis, Hugh Wilson, Sam. McLean, John Lewis, Ralph Walker, William Lawrence, Paul Marriott, Charles Pettit, William Nelles, Abraham Nelles William and James Crooks, Richard Beasley, John C. Pettit, Daniel Palmer, William Herrington, Peter Hare, Cyrus Sumner, Jacob Beam, John Tetsel, Benjamin Wilcox, William Carpenter, William Moore.

The statements and memoranda respecting the building of the plank church is fully recorded in the first history of St. Andrew's, 1919. And one may surmise that the church was completed and in use at the end of 1804, as all accounts seem to have been settled by that date, the last one being: December 18th, 1804, to cash paid for Biber for use of the church, \$11.12.

The Rev. Mr. Addison of Niagara visited the Forty several times each year and on occasion other clergymen preached in the frame church as is evidenced by the following quaint item taken from an old account book of Col. Robert Nelles.

April 25th, 1808, in account with the Reverend Burns, Clergyman, Beachwoods.

NOTICE TO EMPLOYERS AND THEIR MALE EMPLOYEES— Including Farmers

By an order signed on August 15th, 1944, by the undersigned
Minister of Labour under authority of
National Selective Service Mobilization Regulations, 1944:

1. Commencing August 22nd, 1944, every employer is required to check the documents held by each newly engaged male employee, within 7 days of the employee's engagement, to determine if such employee possesses documents to show that he is in good standing under National Selective Service Mobilization Regulations, 1944 (that is, in relation to the Military Call-up).
2. Every employer must report on Schedule 9 to the Registrar for his Mobilization Division, concerning any employee found not to possess documents as referred to.
3. Every employer is required similarly to check the documents held by each male employee now working for him, whose documents he has not checked before, and to report to the Registrar for his Mobilization Division at once as any such employee found not to possess documents as referred to.
4. Any male employee here referred to, is required by the Regulations to present his documents to his employer for purposes of inspection.
5. FOR THIS PURPOSE "EMPLOYER" INCLUDES ALSO ANY FARMER OPERATING A FARM, WHO HAS A MALE PERSON WORKING FOR HIM.
6. Penalties are provided for any employer or male employee who fails to comply with these Regulations.

By an earlier order, employers were required to check the documents held by their male employees, and to report by May 1st, 1944, on doubtful cases as well as cases where employees did not possess documents.

Employers are asked to remember that they do not report on men who do possess the necessary documents—only on those who fail to present documents for examination, or who there is doubt that the documents presented actually prove good standing.

The employees of Canada, including farmers, co-operated very satisfactorily on the first check, made up to May 1st, last. This co-operation was decidedly helpful, and is much appreciated. Further co-operation is now earnestly requested.

Schedule 9, for reporting to the Registrar and details as to documents which prove good standing, are available through the nearest Employment and Selective Service Office.

Farmers not needed on the farm during the winter, who answer the urgent call for winter workers in other essential industries, will be given a continuance of postponement of military training while away from the farm.

James A. Jackson of Hamilton was a weekend visitor in town.

Sunday is Bible Sunday in both Trinity and the Baptist Church.

L.A.C. Edward Brubaker, R.C.A.F., who has been stationed at St. Thomas is now at Aylmer.

Gen. Earl Duffield, R.C.A. has been transferred from Petawawa to Army Trade School at Hamilton.

St. Andrew's Bazaar and Supper will be held in the Parish hall on Thursday afternoon and evening next.

Sergt. Gerry Kemp, R. C. A. F. now home on leave has been notified that he has been commissioned as a Pilot Officer.

Eric E. Ewing, Ottawa is home for a ten days' holiday. The Ewing family will be moving to the Capital City about December 1st.

Wing commander Stuart and Mrs. Secord of Vancouver, were guests of their father and mother at Rosemore, on Sunday.

St. Andrew's Junior W.A. will start their regular weekly meetings on Monday, November 20th, at 4 o'clock, in the Parish Hall.

Harold C. Woolverton and Clarence W. Lewis have returned from a 10 days' trip to Montreal, Three Rivers, Sherbrooke and Quebec City.

An Organ Recital will be held in St. John's church, Winona, on Monday, evening next, by Ralph Kidd, A.C.C.O., assisted by Master Ronald Armstrong, boy soprano. The public are cordially invited to attend.

Mr. and Mrs. Victor Cartner, (nee Mabel Stadelmeier), were honoured by friends on Nov. 4th, when a shower was held at 129 May Ave. The young couple were the recipients of many lovely useful gifts. Delightful refreshments were served to about 70 guests.

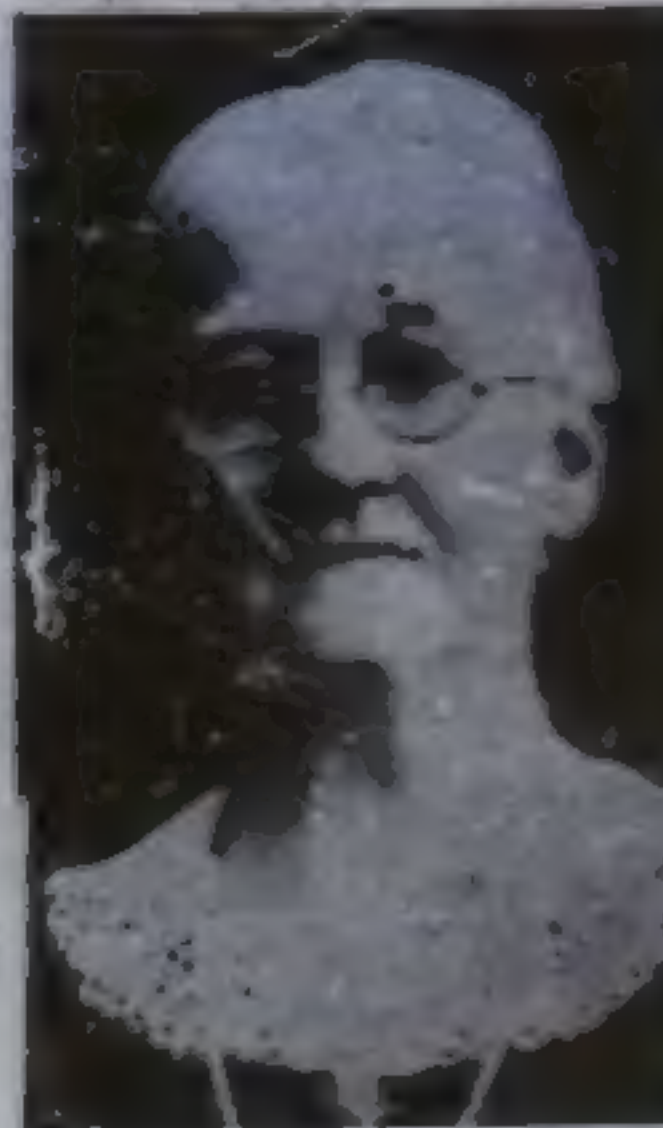

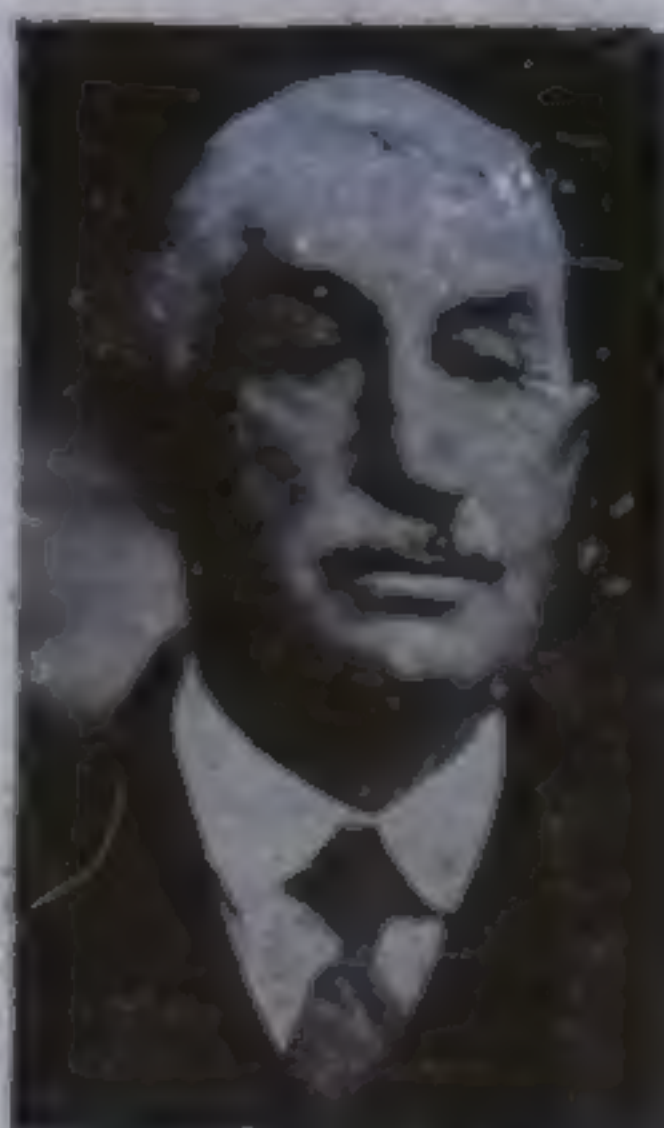

Mrs. Chas. H. Saunders is returning to Peterboro, after spending the past week with her brother-in-law and sister Lt.-Col. and Mrs. P. G. Kemp, Nelson Blvd. S/O Wilda Saunders of the R.C.A.F. (W.D.) Mount Hope spent Sunday with Col. and Mrs. Kemp.

Mrs. P. E. Fairbank spent the past week-end visiting in Toronto where she attended an opera in which her young cousin Miss Patsy Fox, took the leading role, in such a pleasing manner. This talented young singer, who has won four medals, won much praise when she recently took a prominent part in the special services at Trinity United church at Burlington.

P/O Clifford Wilson and P/O Peter Hope, R.A.F., both of England, have been spending a leave with Mr. and Mrs. M. I. Morris, Paton Street, after finishing their Navigator's course in this country. The former having been stationed with their son Jack while in Scotland. Several weeks ago, Mr. and Mrs. Morris were surprised by a visit from Stuart Clemens, R.C.N., of Richmond Hill, who had met Jack in Calcutta, India, around the First of August of this year.

What became of the old-fashioned girl who helped mother around the home when she returned from college for a summer vacation?

Married Sixty-One Years

Mr. and Mrs. W. H. VanDuser quietly observed the 61st anniversary of their wedding at their home on the Ridge road in North Grimsby township. Both are enjoying good health. They have one daughter, Mrs. Harry Sturch, of Vinemount. Their only son, an officer in the Royal Air Force, was killed during the first Great War. Mr. VanDuser was for some years a member of North Grimsby township council. Among the visitors on the anniversary were: Dr. and Mrs. F. C. VanDuser, of Toronto; Mr. and Mrs. John W. VanDuser, Winona.

Celebrate Their Golden Wedding

On Sunday, November 12th, G. Murray and Mrs. Beamer, Ridge Road west, North Grimsby celebrated the 50th anniversary of their marriage vows. During the afternoon and evening their lovely home was visited by a very large number of neighbours, friends and acquaintances from all over the peninsula and they were the recipients of a great profusion of floral tributes and wordy messages as well as personal felicitations.

A son Donald Beamer and a daughter Mrs. Harold B. Metcalfe of Grimsby blessed this union of half a century and we are pleased to report that they are both hale and hearty and enjoying the sunset of their life to the utmost. Below we print a report of their marriage of 50 years ago just as it appeared in The Independent of November 22nd, 1894, from the pen of the late Jas. A. Livingston.

WEDDING BELLS

"From Glen Cottage", the residence of Mr. and Mrs. Albert Terryberry, (Mountain Street) was the scene of a brilliant gathering on Wednesday evening, (Nov. 14, 1894) the occasion being the marriage of Miss Jessie M. Gow, late of Edinburgh, Scotland, to G. Murray Beamer, of Grimsby.

The ceremony took place at six o'clock, and was performed by the Rev. J. G. Murray, assisted by Rev. Jno. Muir, pastor of the Presbyterian church. The bride was handsomely gowned in cream silk crepon, with trimmings of duchesse lace and ribbon. She wore the regulation veil and orange blossoms and carried a large bouquet of roses and white heather. She was given in marriage by her brother, Mr. J. Gow, New York. Miss Alice Bain of Hamilton was bridesmaid, and looked charming in a dress of pale blue silk and crepon, with pearls, trimmings. W. Geddes, of Winona, acted as groomsmen.

After the ceremony, which took place in the drawing room under an arch of smilax and ferns, the party adjourned to the spacious dining hall where an elaborate dejeuner was served. The health of the bride was proposed by the Rev. J. G. Murray and was responded to in a neat speech from the groom. A great many valuable presents were received by the bride including many from friends in the Old Country. Mr. and Mrs. Beamer left on the night train for London and points west, and on their return will take up their residence in Grimsby.

Among the invited guests were: Rev. J. G. and Mrs. Murray, Rev. John and Mrs. Muir, Mr. and Mrs. A. C. Deamer, J. M. Gow of New York, Miss Beamer, Master Harry Beamer, Mr. and Mrs. W. B. Vardyne, Mr. and Mrs. W. W. Beamer, Mr. and Mrs. Levi Beamer, Miss Gertrude Beamer, Mr. and Mrs. Book, Mrs. McGillivray, Mr. and Mrs. Brown, Toronto, A. D. McKenzie, D. C. McKenzie and Miss McKenzie, Durham; Mr. and Mrs. Simpson, Dunnville; Mr. and Mrs. House, St. Thomas; Mr. and Mrs. F. Newbury and Mr. and Mrs. Philip, Hamilton; Mr. and Mrs. T. H. P. Carpenter, Winona; Mr. and Mrs. W. B. Calder, Waterdown; Mr. and Mrs. R. M. Hazelwood, Clifford; Mr. and Mrs. James Allan, Beamsville; Mr. and Mrs. A. Terryberry; F. Y. Terryberry, W. D. Forbes, Miss Forbes, W. Gibson, Miss Gibson, Mr. and Mrs. A. F. Hawke, Mr. and Mrs. Mitchell, Mr. and Mrs. E. Kitchen, James Mainland, Miss Laura Mainland, C. H.

Miss, Miss Jury, W. W. Kidd, Miss Smith, Mr. and Mrs. H. H. Anderson, Miss Milton; Mr. McKenzie, of Durham; Wm. Geddes and Miss Geddes of Winona; Jno. Henry Brandon; The Misses Henry, Woodburn; K. Lawrence, Pontiac, Mich.; David Allan, Winona. — (A great percentage of the above named people have since passed away. — Ed.)

St. John's W.M.S.

The Thankoffering service of St. John's Presbyterian W. M. S. was held in the Church on Thursday evening, November 9th.

Miss Athalie Read was the guest speaker. She spoke of her work in the wartime working area of Hamilton. In this district there are thousands of residents. In and out among these people goes this young church worker, seeking to find some way to influence them to get in touch with some church in the surrounding district. Miss Read's talk was extremely interesting.

Miss Mae Crittenden sang a solo, "Have Thine Own Way Lord." Mrs. Dick accompanied her on the piano.

At the close of the meeting, Mrs. McKenzie and her committee served dainty refreshments.

Grimsby Red Cross

ANOTHER S.O.S.

The response to the call for workers has been good, but we still need more sewers and knitters.

Our "emergency quota" is marked "urgently needed".

Will YOU help us make a real effort to complete these as soon as possible.

An unparalleled record for continuous, faithful work for Canada's war effort can be claimed by Mrs. Emma Shapton, 3092 Drummond Road, Niagara Falls, who despite her advanced age of eighty-four years, and the handicap of being totally blind, has knitted more than 600 pullover sweaters for the Canadian Red Cross, relatives and friends in the armed forces and children of Britain, since the war began. Mrs. Shapton, mother of Mrs. Shapton, is chief, Jean C. Shapton, is keenly alert mentally, and follows the war news daily with much interest. She is extremely patriotic and is anxious to do her bit to the best to provide comfort for the aviators, who are fighting to speed a victorious end to this global war.

Mrs. Shapton averages ten sweaters a week each month and in addition spends her spare time knitting socks, mitts, etc. She does it the knitting herself except on the stitches which is done by her daughter, Mrs. Clara Hayes, with whom she resides. She knits easily through a sense of touch, which has been keenly developed since she became blind.

Despite the critical wood supply some men still go around with chips on their shoulders.

It seems no one has been able to give a clearer definition of war than Sherman.

Trinity Service Club

The Trinity Service Club held its monthly meeting November 14th, 1941, at the home of the Misses Cline and Miss Isabel Crawford.

Miss Crawford had kindly extended to all the members of the Club an invitation to hold this meeting at her home and a large crowd turned out to accept her hospitality.

Mrs. Victor Cullen called the meeting to order and Mrs. Watt led in prayer. Mrs. C. D. Millyard and Mrs. Vernon Tuck gave reports on the fancy work sale and tea held in the home of Mr. William Hewson on Nov. 3rd.

Mrs. Lawrence Tynert reported a very successful rummage sale held in October and Mrs. E. A. Buckenham's report on the Christmas boxes sent to the "Adapted" soldiers overseas, was read.

After the business meeting, Miss Crawford spoke a few words to the club. She urged that good cheer be mixed with all religious work. She told some amusing incidents of her 20 years' work among the Indians in Oklahoma. She then displayed her collection of Indian Arts and Crafts—beautifully painted pictures, grass woven baskets, rugs, draperies, etc. The most outstanding exhibit was a fir-screen with an Indian warrior painted in glorious colors.

Refreshments were served by Mrs. H. Betzner, Mrs. John Aikens and Mrs. Burton Bentley.

A vote of thanks to the Misses Cline and to Miss Crawford, proposed by Mrs. A. Clark, ended a very enjoyable meeting.

Card of Thanks

Mrs. Rhos. Little wishes to express her thanks to the Canadian Legion and the ladies of the I.O.D.E. for the lovely flowers placed upon the grave of her son, Lieutenant Robson Little, on Sunday last.

Mr. and Mrs. C. Norman wish to thank their kind friends and neighbours for their acts of love and sympathy during their recent loss of Mother, and also extend grateful thanks for the many kind cards and letters of sympathy.

Bingo! Bingo!

Last winter when Father O'Donnell held his big St. Patrick's dance in the High school he promised that before the year was out that he would conduct some kind of an affair for war purposes. Now he comes to the fore with a mammoth Bingo game.

This big Bingo will be held in Hawke's hall on the evening of Wednesday, Nov. 25th. It will be a straight Bingo and the total proceeds will be divided between the local Navy League and the Local Red Cross.

With the following committee working under Father O'Donnell, this affair should prove to be a huge success, the committee are: Wally Philippe, Joe Waites, Fred Case, John Hewitt and Frank McPhail. More news next week.

Navy League News

Grimsby Branch of the Navy League has moved to new headquarters.

The present location having been rented we are going to occupy the empty store formerly the Grimsby Dairy between the Cities Service Station and the Independent office. We are very grateful to those who have been so kind to us. Please call in and see us at the new location.

MAGAZINES NEEDED

During the 10 months ending Oct. 31, the Ontario Division Magazine Depot of the Navy League of Canada has distributed to merchant seamen and sailors of the Allied Nations 1,193,580 magazines, 4,308 packs of playing cards, 1,283 games, 3,251 cribbage boards, and 1,505 scrapbooks. It was announced last night, since the Ontario Division undertook the collection of magazines in 1940, 5,470,100 have been given out.

Magazines, games, scrapbooks and playing cards are still urgently needed and should be taken to Navy League branch in The Independent building.

Make Shipment Of Ditty Bags

141 Shipped This Week — 212 Gone Forward To Date—75 More To Go — Large Shipment Of Knitted Goods.

Grimsby filled and packed Ditty Bags are on their way to a distribution point where they will be handed out at Christmas time to men who sail the stormy seas.

Last week "Buddy" Shafer and her band of willing workers packed and shipped 141 bags. A week previous 71 bags had been packed and shipped, so all told 312 Ditty Bags have left Grimsby. There are still 75 bags in the hands of citizens being filled and packed and as soon as they are received at local Navy League headquarters they will be shipped.

Shipped this week was a large consignment of knitted goods. These warm comforts have been knitted under the supervision of Mrs. Margaret Connell and the shipment consisted of:

35 pairs of socks.
16 pairs of sea boot stockings
6 turtle neck sweaters.
7 sleeveless sweaters.
5 helmets.
3 caps.
6 pairs of mitts.
4 scarves.

A very large shipment of magazines was also made to Toronto headquarters.

I.O.D.E.

The empire Study Committee of the I.O.D.E. held its literary meeting on Monday afternoon.

The speaker for the day was Prof. V. W. Jackson, who gave a very inspiring talk on "Live and Let Live", the secret of Empire. In his address, Prof. Jackson pointed out that the secret of Britain's greatness and her success lay in the fact that she did not interfere in her Colonies' mode of life—that she ruled not so much by force as by example, and that her tolerance and sympathy eventually wins the people, then an Empire.

Mrs. Chas. Walker gave a reading on Armistice Day. Mrs. Neil Leckie created much interest by her "Do You Know" questions on Canada. Mrs. G. F. Mitchell delighted everyone with her solo "Pale Hands". Mrs. D. McIntyre was the accompanist for the afternoon.

A vote of thanks was tendered those taking part, by Mrs. Wolfenden.

Refreshments were enjoyed during a pleasant half-hour of discussion.

Can Illuminate Christmas Trees

Snow-laden Christmas trees may twinkle with coloured lights outside Canadian homes this Christmas, as they did before war-time lighting restrictions were put into effect. Prices Board officials stated Tuesday.

The lights that brighten the Christmas scene outdoors, however, will mostly be those left over from former years, because while their manufacture has again been permitted, it is not expected that many such lights will appear for sale this season.

Parents Attend Public School

Open day for parents and friends of the pupils was observed at the local public schools Friday afternoon and a large number took advantage of the opportunity of visiting the classrooms.

There was no special exhibition of work, just the regular work of the present term being shown. Much interest was shown in the manual training room where pupils were at work.

Senior pupils escorted the visitors to the various rooms. Kenneth Griffith, principal, expressed gratification at the interest shown by parents.

Cubbing

Five new cubs, Jack Ryan, John Gillespie, Donnie Lambert, Rupert Hatter and Ray Hatter were present last week when the Pack gathered around the Totem Pole and were given a hearty welcome by the Cubs.

Sixty Dick Tracy of the white Six, was presented with three Proficiency Badges, the Toy Maker, the House Orderly and the Homecraft.

Following the Instruction and Game Periods a sing song was enjoyed. The meeting closed with the Mouse Heral led by Jim Laidson.

Around The GRIMSBY High School

(By Janie)

Friday night's Tea Dance, which was almost a Sadie Hawkins affair, was enjoyed by all. Every one was well fed too. Good rugby players also make good dishwashers, don't they? A nickelodeon was used for dancing and jittersugging, besides the piano being played for a couple of waltzes. Believe it or not, the dance was finished at twenty after nine!

Last Thursday we had a rifle practice at the Winona Ranges, despite the threatening skies. We all arrived there fairly safely, on bikes, trucks and cars. The shooting, all excellent? Many targets were spared from the disaster of being hit. The contest winners were: Mary Johnson 78; Murray Nelson (juniors) 91; Arthur Bryden and Graham Brownlee (seniors) tied, with a 88 score. We all, including the bicyclists, came home in two trucks and three cars!

Our "invincible" rugby team has finally won a game! Three cheers for G.H.S. The score was 11 to 5. But that's not all, here's who we played: Ted McNinch, Bing Harris, Paul Morgan, George Robinson, Bill Fellows, Bruce Stewart, and the remainder from the school. Yes, you're right they are some ex grads from G.H.S.!

Modern chivalry — A boy apologizing to a girl for winking at her!

Friday afternoon is the cross country race for all the boys. The race is to be about three miles.

SPORTOLOGY

(By Bones Livingston, Sportologist)

Here's a sporting picture that is going to take a lot of head scratching. I remember this team but for the life of me I cannot name the players in any quantity. This photo was taken so many years ago that I doubt if I will ever get the complete list of names. Try your luck. It was a rugby football team made up of town fellows and they played their games on the Lake Lodge field. Memory serves correctly this team played in a Hamilton City League but did not capture any championships.

SHINNY ON YOUR OWN SIDE

With the days getting crisper, the season of hockey ball of fame discussions surely must be upon us again, although as yet the expected arguments haven't started for the winter.

On the serious side, though, Captain J. Sutherland of Kingston, Ont., has come out with an instructive piece of literature on the origin of the game that takes the chronological data back to 1813 at least. He quotes a little-known work by the late Duke of Beaufort that gives credit for inaugurating ice hockey, or "band", to the stout citizens of Bury Fen. That community of note wasn't a suburb of Hapilton, Montreal or Halifax, but happened to be situated in the twin parishes of Bluntham-Cum-Earth in the agricultural county of Huntingdonshire, England.

The good people of Bury Fen, there is reason to believe, galloped about the ice with their bandy sticks playing a "game much like hockey" even before skates were invented. However after they equipped themselves with runners, the early historian recorded, they "could rush over the ice at a great pace, could suddenly stop and as suddenly start, could turn and dodge at full speed and maintain a pace impossible on land, then enthusiasm for bandy was assured; it came in fact... the most fascinating of games."

(That's flowery language, but hockey broadcasters might add a novel touch to their accounts by studying this early chronicle.)

Any doubts that Bandy wasn't the great-grandfather of hockey were dispelled when the rules of the early game were studied. Some of them were: The stick must not be more than two inches wide at any part (compared with 3 1/2 inches as at present), no player could raise his bandy above his shoulder for purposes of mayhem; otherwise, and only the goaler could hit the ball while in midair (there was a regular offside rule although no player was offside as long as he stayed within his own half of the ice; the game was started by the referee throwing the ball in the centre of the ice; and each team was limited to 11 players.

There's quite a similarity between those rules and present regulations, enough to prove this was the same game that later was brought to Canada by the Imperial troops who were garrisoned at Halifax, Kingston and Montreal.

Shinny is even rung into the matter, since the historian says it undoubtedly was the forerunner of bandy. The original game was played in the village street and was much like field hockey, except a great deal more boisterous. As our authority says, it was a "rough and ready frolic."

Charley Mather's bowlers led the Peach Kings merry chase all the way last Friday evening at First United Church, Hamilton. At half time the score was 16 to 0 and at finish 26 to 12. There was one dead end, 7's risks and scores:

Grimsby—Brock Snyder, David Alton, Art Clark, Bert Harvey, 12.
First United—George Ormeyer, William Hoyle, Ed Hughes, Charles Metzner, 25.

WHAT INFLATION MEANS

Inflation may be described as something which sends prices and wages soaring skyward in an ever increasing whirl until our money becomes worth less and less, and finally it is just about valueless.

Boy Scouts

At Monday night's meeting 21 scouts assembled to enjoy Scout-ing. After patrol corners instruction period the boys were given their competition games of dodge ball. Winning patrols were Seals, Beavers, Wolves.

Great excitement prevailed when the scout hike on Saturday next was announced. It has been decided to go on a hike every two months no matter what the weather may be. Boys are to dress with warm clothing and given plenty of food to eat. Do not

forget your drinking water, also that when the high school at 8.30 a. sharp, under sealed orders Tenderfoot scouts are not eligible for this hike as we are taking on first class tests. Scoutmaster boys to take care of themselves under all conditions and the hike puts this knowledge to the test.

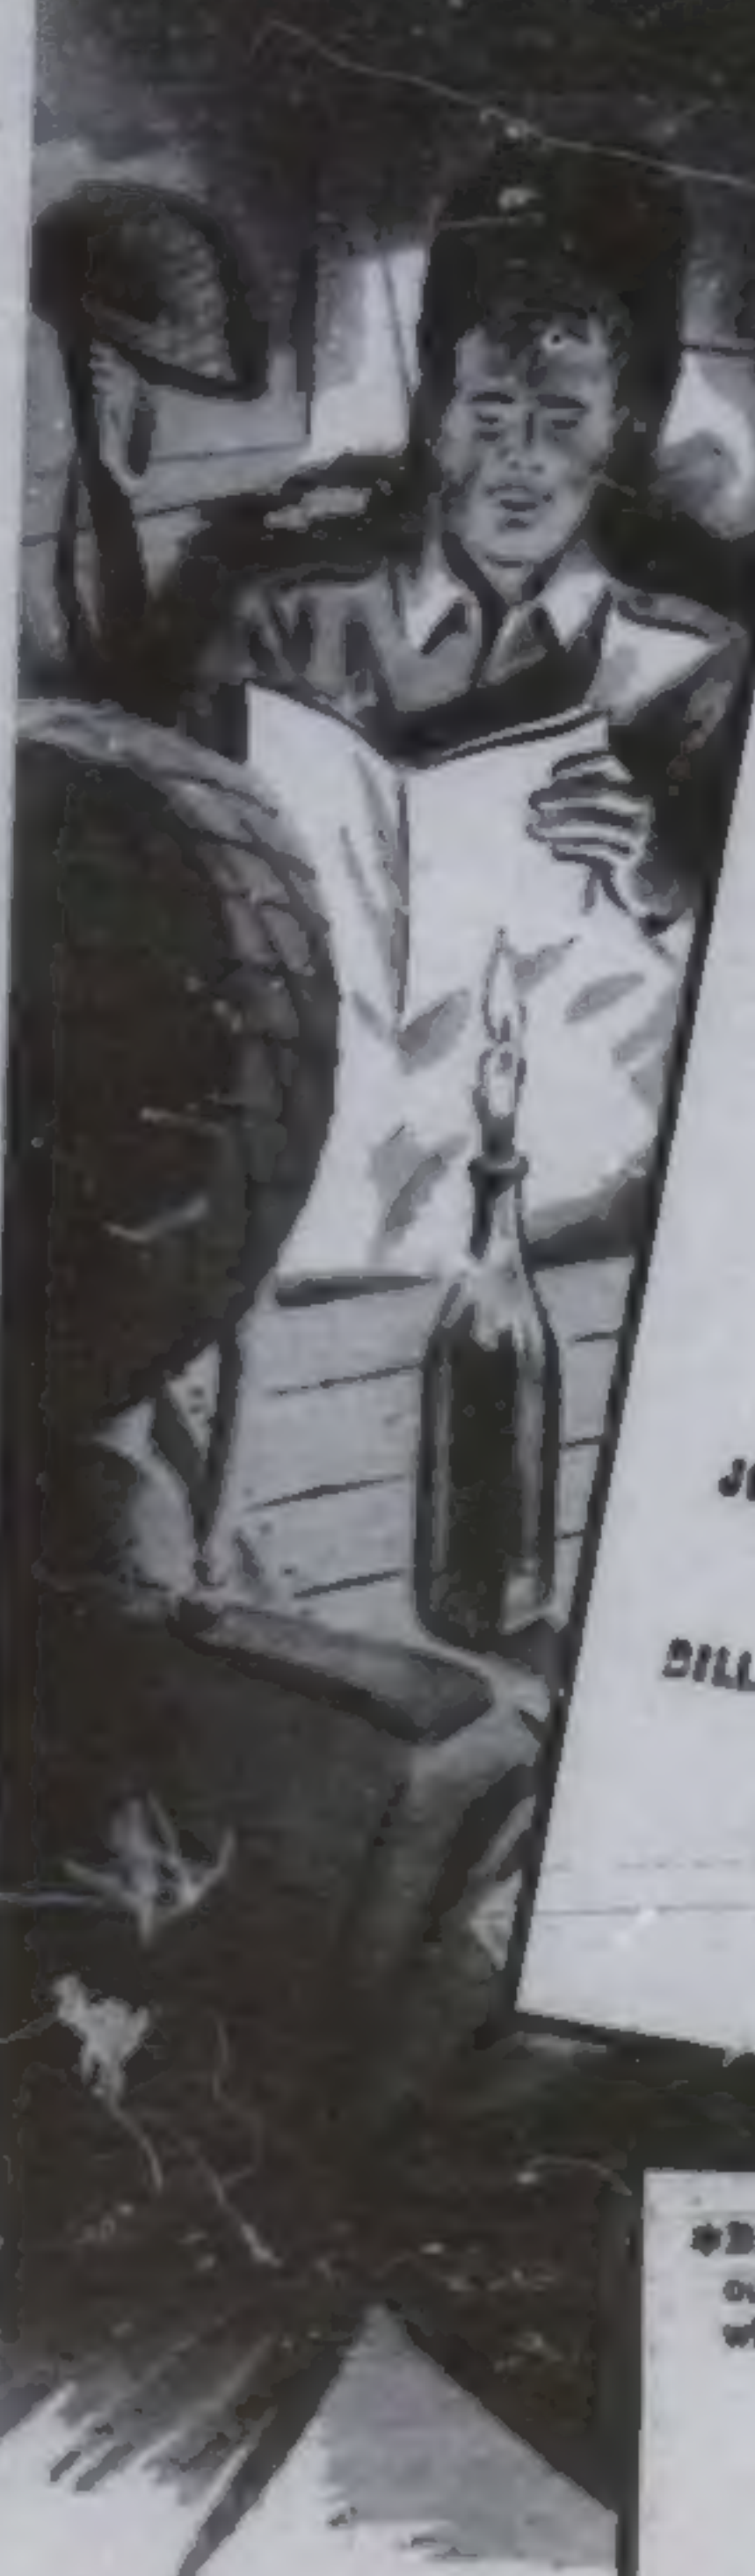

PLEASE DO NOT BLAME YOUR BUS DRIVER

It's not his fault that the bus is late or crowded... that you have inconveniences and discomforts. He only carries out his orders and has no control over war-time conditions. If you have any complaints to make, please do so at the company's head office... not to the driver.

A LETTER FROM THE CHIEF

BILL: Boy, that's what I call a letter!

JOE: From your girl?

BILL: Nope—from the President of my company. He tells me there's a job waiting for me and all the rest of the 2,200 Bell employees who joined up. Not only that—he says it looks right now as though they'll have to take on still more staff if they're to handle their post-war program. They're giving credit for war service, too, when it comes to position and pay when we get back.

JOE: Pretty good outfit to work for, eh, Bill?

BILL: They're O.K.! Looks as if they have lots of work lined up—and that I'd be really needed... Think I'll write Marj about it right now.

*BILL is referring to a paragraph in a recent letter from our President to 2,200 Bell employees on war service, which read:

"... I imagine you are more concerned with what conditions will be in the company when you return. Already we have done our best to look ahead and plan for the post-war period... Our present estimates indicate that we will need to retain all our employees now on the force; that there will be a job for you and all other Bell employees who return from active service, and that it will be necessary for us to hire a number of new employees."

STATION CKTB

The purchase of the station was made through the National Trust Company, acting for the estate of the late E. T. Sandell. It was Mr. Sandell who conceived the radio station and carried out its completion. It is now held by competent critics and appraisers as one of the finest equipped privately owned and operated radio stations in the country.

The issuing of a license to The Niagara District Broadcasting Company was recommended by the Canadian Broadcasting Corporation and approved by the Ministry of Transport presided over by Hon. C. D. Howe.

At the cemetery the graves of Veterans buried there were decorated and during the decoration the Beamsville band softly played a selection of appropriate hymns. A large number of people watched this solemn ceremony.

Memorial services were held in the Roxy theatre and were well attended. Lt.-Col. Fred G. Kemp, D.S.O., M.C., acting as chairman. Rev. R. C. Standerwick offered prayer; Rev. A. E. Brooks read the Lesson; Rev. J. Allan Ballard, led in prayer. A very able address was given by Rev. W. J. Watt of Trinity United church, after which the Roll of Honor was read by Major L. A. Bromley, M.M., President of West Lincoln Branch, Canadian Legion and Last Post was sounded by Band Sgt. Wally Phipps.

There are still a number of Memorial Service programs available at The Independent office for any persons wishing to mail them overseas.

they are near the sea. Their lingo is more like the Boche that's what they all call the Germans. Most of the Belgians speak French or Flemish, and they are the friendliest people I have ever seen. We had a swell time there. It's not so nice here in Holland.

I'm getting quite a collection of all the different kinds of money for souvenirs. It's a nuisance changing from one to the other all the time. From what I've seen of foreign currency, they can have it. Good Canadian money is the best by far. It will be good to get a nice handful of it again.

That parcel you mentioned should be well on its way by now, and its going to be very welcome. It seems like a long time since I last had a parcel.

Do you recall Wing Commander Hodson? His picture was in the Independent awhile ago. He was our airfield C.O. He built our Airfield. He is one of the best men in the whole darn outfit and I'm by far, not the only one to think so. We all were sorry to see him go home. I was quite surprised when I heard that his folks live in Grimsby.

Well, Christmas is around the bend again, and I guess I'll be here for this one too. Although big things are going to happen before then. It will take some time to get home after its over anyway. There's nothing I want real bad this time. Just send whatever you think is best. I'm sure that will satisfy me.

As far as those buzz bombs are concerned, we are a lot safer right here than we would be in England.

If anyone wants to know why I'm not writing, tell them I'm pretty busy right now and I'll be home soon anyway (Yep; My fingers are crossed).

Things are getting better day by day.

Love to all,

"Bill"

WATER! WATER!

Besides this there is trouble with some of the water users who claim they have not used nearly the amount of water. Their meters said they used and consequently are not inclined to pay the amount of money their bill calls for. Meters seem to be a bone of contention with the township raters and Councillor Mitchell remarked "throw them all out, all they seem to be good for is causing a lot of grief and trouble."

A lot of time was consumed over water courses. Some that worked and some that are not working.

Deputy Reeve Crittenden came forth with the suggestion that the council cause a Water Commission to be created to operate the east and west end systems. The Commission to be composed of private citizens from the west and east ends and the Reeve. He struck out on this suggestion.

Council agreed to have all street lights in the township turned on for the winter months, at least.

Without any accompanying remarks Councillor Mitchell brought forth the following motion:

Mitchell-Cowan — Resolved that it is the opinion of this council that all drafttees or Zombies sent overseas for reinforcement for our Soldiers fighting the Battle of France, be carried unanimously.

Relief accounts for \$30 were passed.

The next and last meeting of council for the year will be held on Friday, Dec. 16th, at 11 a.m.

Joint Fire Committee accounts for \$138.42 were ordered paid.

Reeve Durham reported that sale of hunting licenses for pheasant days amounted to \$170.25.

Township share of the cost of cleaning and rock removal of the Kuyt's Drain amounted to \$113.

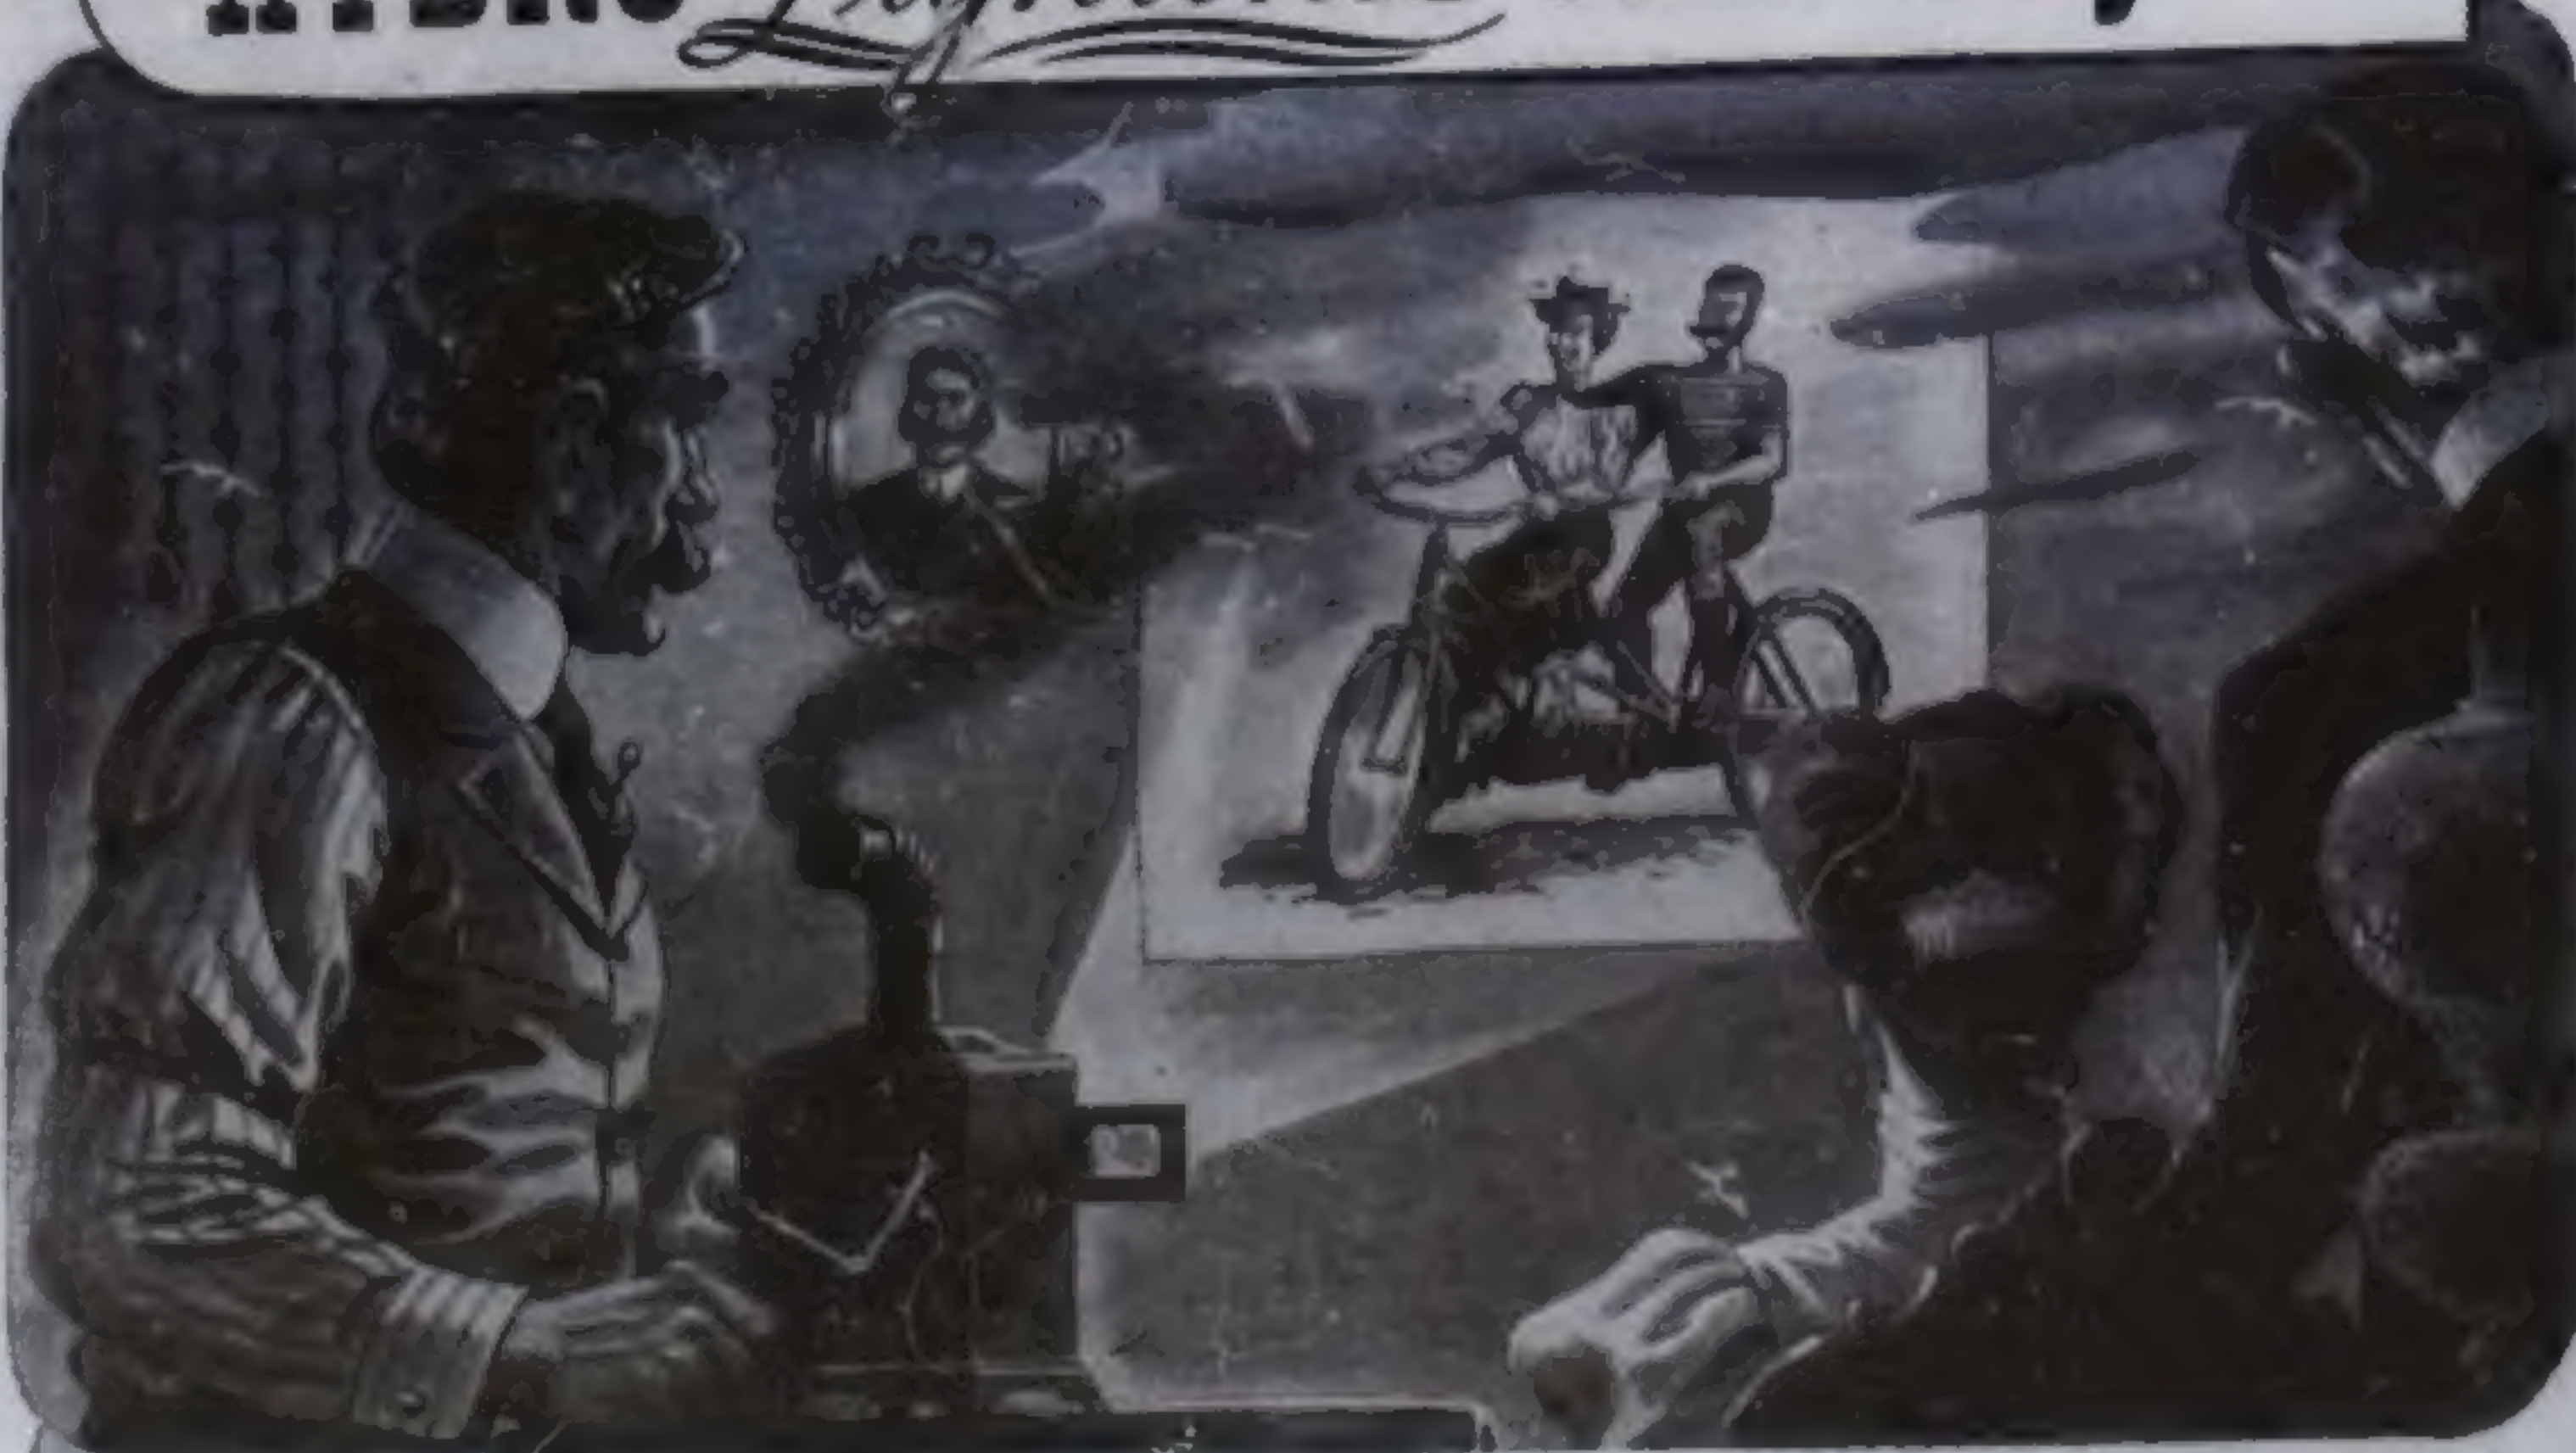

Council agreed to sell two lots in Grimsby Beach to Mrs. Hugh Martin at \$110. These lots came into council's hands for taxes.

Work on the new tile drain, containing six catch basins from the Wm. A. Coon property to the C. N.R. tracks on Park Road, has been finished.

Reeve Durham stated that he had distributed 525 poppies, provided by the Canadian Legion, to the school children of the township. Council granted \$25 to the Poppy Fund.

Tax Collector James G. Macintosh reported that in October he

COULD HAPPEN HERE

Canadians fighting overseas know what inflation means. They are counting on the home-front to make sure it does not happen in Canada.

An airforce boy writes from Greece, "Last night all my old dreams came true. I am a millionaire — multimillionaire — with 15,000,000 drachmas burning a hole in my pocket." But his 15,000,000 drachmas would buy only four

cigarettes and one haircut. Today his 15 million Greek drachmas are worth 10 Canadian cents. Before inflation in that country they were worth \$1,200,000.

On every battlefield in Europe, Canadian fighting men have found inflation. Letters, broadcasts, press releases give fantastic accounts of the high prices inflation has brought to people in France, Belgium, Holland, Greece and Italy. Inflation in Greece has not only brought about high prices, but poverty, hunger, sickness, death and destruction.

We on the home-front must back Canada's effort to fight inflation by paying only ceiling prices, observing rationing regulations, buying only what we need and investing in Victory Bonds.

The Women Win All The Prizes

For some unknown reason the women of this district have a monopoly on the winning tickets that come out of the drum on the various drawings conducted by the local organizations.

Women have held the lucky ticket in four out of the five last draws made in Grimsby. Mrs. Grace Smith, won the G.I. Soldier Bear drawn for the Ditty Bag campaign; Mrs. Nellie Rutherford and Mrs. J. Douse won the two \$50 Victory Bond draws; Mrs. Frank Farrow won the Cigarette Fund basket of English walnuts.

Poor, mere man, Howard Dawe of Beamsville, drew into the limelight some how and won the oil painting drawn for by the Grimsby Business Girls Red Cross group. He is to be congratulated.

This is a mechanical age. Instead of counting sheep to go to sleep some count jeeps.

Another difference between a church and a show is that a rainy night doesn't keep people away from the theatre.

Service For The Dead Religious

His Excellency, Bishop Nilus Savaryn Conducts Special Masses At St. Mary's-on-The-Hill.

On Nov. 13th, the first Monday following the Feast of Saint Demetrius, which falls annually on Nov. 8th, the Basilian Fathers followed their traditional and age old custom of offering tribute, prayers and Masses to the members of the Order of Saint Basil the Great, who have recently or long since, passed away to their eternal rest.

This year, His Excellency, Bishop Nilus Savaryn, O.S.B.M., D.D., who was consecrated bishop in Toronto a year ago, and is a member of the Basilian Order, officiated at the services for the dead in Saint Mary's Ukrainian Church.

His Excellency, following Holy Mass, spoke feelingly of the religious members of the Order who lived and died within the last 1600 years; many of them being men of great fame and prominence. In his sermon, he mentioned the recent death of Count Andrew Shyptycky, Metropolitan of the Uniat (Catholic) Church in Ukraine, on Nov. 4th, 1944. The late Metropolitan, who was the scion of a distinguished family of nobles, and who possessed many doctorates from the various universities of Europe, such as Doctor of Divinity, Doctor of Laws, Doctor of Philosophy, Doctor of Letters, renounced his heritage, his vast lands and wealth to enter the Basilian Order in Ukraine. He was a great thinker, a great writer of Oriental asceticism, and founder of the Religious Congregation of Studites in Eastern Europe. His loss is mourned by the whole Ukrainian nation, and his career is one which shall ever shine forth as a star in their annals of history.

On that same Monday evening,

Soldier's Wife Wins \$50 Bond

The drawing for the second \$50 Victory Bond was held in front of the Post Office on Saturday night and Mayor Edric S. Johnson drew the name of Mrs. J. (Dorothy) Douse out of the box. The salesmen of the bond to Mrs. Douse which gave her the privilege of having a chance on the draw was Geo. F. Weir. Mayor Johnson and Mr. Weir delivered the bond personally to Mrs. Douse at her home on Robinson street south.

Mrs. Douse's husband is in the army and is "Somewhere on the Western Front." She was so pleased at her good luck of winning the bond that she gave Mayor Johnson a donation of \$7.00 for the Poppy Fund.

In the first drawing for a \$50 bond Mrs. Nellie Rutherford was the winner and the salesman in this case was Norman Harris.

The Brother Theologians of the Grimsby monastery honored His Excellency, Bishop Savaryn, by entertaining him at a specially arranged concert which included choral and instrumental music. Following the concert, the Basilian Fathers held a dinner in the Bishop's honor; both concert and dinner being attended by many guests of the locality.

O. S. B. M.

Many people often wonder and enquire why the Basilian Fathers use the letters O.S.B.M. after their names. Here is the answer. It is a distinguishing degree which indicates that the said person is a member — who has attained the status — of full right and privileges of Ordo Sancti Basilii Magni which is simply the latin for Order of Saint Basil the Great.

Money talks, but it takes a \$10 bill to make a whisper nowadays.

Obituary

MRS. IDA KNIGHT

There passed peacefully away, after a very brief illness, on Thursday afternoon last, at the home of her daughter, Mansion Apts., Grimsby, Mrs. Ida Knight, widow of the late George Knight, and dearly loved mother of Mrs. Charles Norman.

Deceased who was in her 82nd year, came to Grimsby to reside two years ago, with her daughter and son-in-law, Mr. C. Norman, of the Bell Telephone staff, and while of a retiring disposition, due to her advanced age, she endeared herself to all of those with whom she came in contact. Previous to this time she lived in Hamilton and Toronto where she was born and where her remains were taken for interment last Saturday afternoon, the following acting as pallbearers: C. Norman, H. Norman, C. Knight, G. Knight, A. Tranter and R. Conklin.

She is survived by two daughters, Mrs. C. Norman and Mrs. H. Norman of Hamilton, and two sons, Charles of Toronto and George of Hamilton.

JOSEPH PENFOLD

The passing of Joseph Penfold Thursday morning at his home, 83 Burris street, after a short illness,

will occasion the deepest regret to his many friends in Hamilton.

Born near Tapleytown, he was in his 81st year and was well known in this city. He spent the greater part of his life in Hamilton, where he conducted a flour and feed business on John street south. Mr. Penfold was one of the original members of Ryerson United Church and at the time of his death was a trustee and honorary elder. He was a member of Crescent Lodge, 104, Oddfellows.

Surviving him are his wife, Martha Bernard Gossay, Penfold; two sons, Roy and Gordon, of Hamilton; one daughter, Mrs. E. K. Pearson (Reta), of Hamilton; two stepdaughters, Mrs. J. M. Game, Walkerton; Mrs. Arthur Jobborn, Hamilton; one sister, Mrs. James Hildreth, Tapleytown, and two brothers, James, of Stoney Creek, and Aury, of Grimsby; six grandchildren and one great-grandchild.
